Our Product - Mobile Game

01

**Fighting Dodgeball Boy
Dodge Danpei**

Classic anime IP has launched in mobile game platform. The glaring and super gorgeous technique, hot-blooded and exciting fighting, plus the complete collection of classic roles and stories make this game not to be missed by the anime fans.

02

I am MT: Classic

Relax and play. Infinite matching of lovely characters with multi-skill pets. With 3D character, scenario and instant positioning, the game is no longer limited to traditional RPG.

03

Good Sense

Brand new concept in stock investment mobile game. Place virtual orders based on the price of the real stock market. It would have huge benefits for either experienced or amateur investors.
