## Operating Overview

## 2025 – Transformation in Action, Strengthening Our Core

## Games

## Premium Game Publishing

In January this year, we launched *Uncharted Waters: Legend*, based on a long-standing IP from Koei Tecmo Japan. The title delivered strong early-stage revenue performance, followed by stable mid-term results and high player retention. This success enabled CayenneTech to turn losses into profits.

## Trendsetting

## Identifying New Opportunities in Emerging Trends

In August this year, we officially entered the K-pop market. Our first pop-up collaboration with MINITEEN at LaLaport Nangang attracted thousands of fans, with overnight queues forming for the event.

## Restaurants

## Immersive Themed Restaurant

In September this year, we opened our second location in the Yongkang shopping district in Taipei. The launch featured Korean superstar Cha Eun-Woo as the opening theme ambassador, delivering strong revenue performance and successfully capturing the attention of our target audience.
